August 15, 2007

Dear Parents,

Welcome to the 2007 – 2008 school year. It has been an exciting summer as we have watched the Snoqualmie expansion project come to fruition! The addition of four new classrooms is the result of the enormous generosity that is a hallmark of St. Joseph Parish and School. A special thanks goes to our Project Manager, Martie Bohn-Himes. Her business expertise, professionalism and commitment has ensured that the construction process has proceeded according to expectations. A further thanks goes to School Commission members Jennifer Ballsmith and Jeff Kelley for their significant contributions in the areas of accounting/finance, planning and engineering. Lastly, we are very grateful for the dedication of the crews from LZL Construction and Pacific Mobile. Their commitment to meeting deadlines for the opening of school has been extraordinary. If you have not had the opportunity to visit our school website, please do. A pictorial is available of the project from start to present. We look forward to welcoming you to our expanded Snoqualmie Campus!

Please review the following information carefully as it contains important dates, times, staffing and announcements regarding the new school year.

First Day of School – September 4, 2007 (See below for possible construction delay schedule)

Due to challenges encountered with the City of Snoqualmie during the permitting process, full permit was not received until July 16th. The result has been a significantly condensed timeline in which to meet the opening school date. Presently, we are on track to begin classes for grades 4 – 8 in Snoqualmie on September 4th, however, the new classrooms will not be ready for a few more weeks. Classes for 4th and 5th grades will begin in temporary classrooms in the main building and relocated to the new classrooms within about 3 weeks.

Present timelines do not anticipate a delay in the start of school; *however, a slim possibility exists that the construction in the main building may not be completed for the September 4th start date. A special School Commission meeting was held on August 9th to discuss options if this delay occurs. It was the consensus of the School Commission to delay the opening of school until September 10th, if necessary,* to have classrooms in the main building completed. A longer delay will activate classroom contingency plans in place with Mary, Queen of Peace (on the Sammamish Plateau). As a practicality these plans are in place, but we do not expect to utilize this option.

Crews have been working 12 hour days and weekends to make every effort to have the main building ready for occupancy on September 4th. However, I am encouraging parents of K – 8 students to **have a back-up plan** for childcare in case a delayed start occurs. September 4th, 5th, 6th are full days, September 7th a half day.

The decision regarding a delayed start will be available on TCBD.

“Taking Care of Business Day” (TCBD) – August 29, 3pm (Issaquah Campus)

The new school year will start with Taking Care of Business Day (TCB Day) on **Wednesday, August 29**, from **3-8 pm**. Plan to come to the Parish Hall on the Issaquah campus between 3 pm and 8 pm on this day to take care of all your back to school business.

You will have the opportunity to:

- Update forms you have already submitted, such as **Student Information Form** and **Immunization Form** (if you need a new immunization form a link is available on the school website).
- Complete or collect new forms, such as:

Authorization for Administration of Oral Medication at School This form **MUST** be completed by you and your student's physician if your student requires any medication during the school day, even over-the-counter medications. Medications can be dropped off at TCBD if they are accompanied by a completed, physician-signed form. (Available on the website.)

LARS Program

The LARS Program is a new program that will be offered this year beginning in September. The LARS Program is supplemental reading and writing instruction for students needing additional support in these subject areas. The students will meet in small groups for 3-5 students during the school day. The support is given 2 or 3 times per week for 30 minutes. The students are not taken out of class during basic skill instruction. There is an additional fee for the program. If you feel that your child would benefit from the program and have not signed up, please contact Jackie Olund in the school office.

Teresa Waldo, our first grade teacher, will be teaching the LARS Program 4 half days each week. Mrs. Waldo has a degree in Special Education and many years of experience working with children who have specific learning needs. She will continue to teach reading and writing to the first graders 6 half days each week.

Welcome Our New Staff

Please join me in welcoming new members to our wonderful St. Joseph School Staff.

Mrs. Ann Shikany - Development Coordinator – New Position

Ann Shikany is the St. Joseph School Development Coordinator which is a new position for our school. She will create a framework for an in-house Development Office. Ann is working with the guidance of our previous Development Consultants. She had a BS in Financial Advising and Planning with a minor in Management from Purdue University. She has worked as a financial specialist, a financial counselor and supervisor for several years. Ann is a member of St. Joseph Parish and is a school parent. She was our well loved Preschool 3's teacher for many years. Last year Ann served as the Activities Coordinator for the school.

Mrs. Sheila Ober – 1st Grade

Sheila will be job sharing 1st grade with Teresa Waldo four half-days per week this year. Her focus will be on Math, Religion, Social Studies and Science. Teresa will teach reading and writing to their 1st grade class. Sheila was raised in the Seattle area and attended Seattle Prep and Seattle University. She has a BA in Education with an emphasis on Special Education. Sheila has been a regular face around St. Joseph School over the past few years as a parishioner, parent and substitute teacher. She has worked extensively in our first grade classes.

Mrs. Peggy Fursman – 2nd Grade

Peggy lives with her family in Snoqualmie and is a member of our Lady of Sorrows Parish. She is a graduate of St. Louise, Holy Names, Seattle University and Heritage University. She has experience teaching all elementary grades as a substitute teacher in the local school districts. Peggy looks forward to dedicating herself to making each day a positive learning experience for each student.

Mrs. Judy Lash – 6th Grade

Judy Lash will be teaching 6th grade this year. Judy lives in Sammamish with her husband and daughter. They are members of Mary, Queen of Peace Parish. Judy was born and raised in eastern Washington and is a graduate of Central Washington University. She later became an adjunct professor at Central Washington. She has worked on several academic projects including Project Read which focused on teaching educators how to effectively improve reading skills in the classroom. Judy has been in education for 30 plus years with experience spanning 2nd to 6th grades, as well as undergraduate college classes. She is looking forward to being part of a smaller, more personal school community.

Mrs. Michel Frerker – Kindergarten Enrichment

Michel Frerker is our new Kindergarten Enrichment teacher. She lives in Sammamish and is a member of Mary, Queen of Peace Parish. Michel has a BS in Education with an emphasis in early childhood and reading. She has many years of experience teaching the primary grades and preschool.

Uniforms

School uniforms are an important part of the Catholic school tradition for a variety of reasons. Enclosed is a copy of our school uniform policy. We are asking for parent support in seeing that your student follows the uniform policy. This year there are two changes to our policy. The changes are: Uniform shorts may be worn all year; and socks must reach above the ankle. Some of the problem areas that need to be emphasized with students include: inappropriate pants with outside pockets or top stitching, non-uniform sweatshirts, shoes that do not meet the uniform policy and socks below the ankle or not uniform colors. We have seen a wide variety of clothing articles worn in these categories that are not on the uniform list. Please read the policy carefully and watch that the policies are followed. We appreciate it!

Our summer break is coming to a close and it has enable staff, students and parents to reenergize for a new school year. I look forward to working with you and your child throughout the year to provide a productive and safe learning environment that supports strong student success.

Sincerely,

A handwritten signature in cursive script that reads "Peg Johnston".
