Annual Fund

Our 2007-08 “We’re Counting On Our Angels” Annual Fund appeal campaign continues to take place during the school year. For those elementary families who have not yet made a pledge to this year’s Annual Fund, you should have received a request this past week from Peg Johnston asking you to not forget your obligation to participate in this most important fundraiser. This year’s Annual Fund goal is \$100,000.

Your participation in the Annual Fund, along with supporting both the Auction and the Walk-a-thon, helps to bridge the gap between the actual cost to educate a student at St. Joseph School and the tuition you selected when you registered your children. This year’s tuition gap between the actual cost to educate a student and the base tuition is \$2,189.

Please remember, when making your pledge to the Annual Fund that you have until June 30, 2008 to complete payment on that pledge. In order for our school administration to budget for the school year, we need **all parents** to support all three fundraisers. We need 100% parent participation to meet our \$100,000 goal. Please return your Annual Fund pledge envelope soon.
