## Snoqualmie Afternoon Carpool

To prevent children from walking in front of cars, we ask that all parents please drive south (driver facing the school) down Doone Street and form two lanes in the parking lot. To expedite pick up please remain in your car, when all vehicles are stopped teachers will tell students to load into their cars. For those that need to enter the school at the end of the day please park in our side lot. Also, please do not block the side lot as you pull forward.

*We ask that you do not park on the street and walk to get your children. This is causing congestion and unsafe conditions for our students.*

\*To access Doone Street from Snoqualmie turn Right on River and left on Doone. From North Bend turn left on River then left on Doone.

*Thank you everyone! Carpool in Snoqualmie went very well this week!*
