

CYO Soccer Fall 2009 Season

St Joseph, Mary, Queen of Peace, Our Lady of Sorrows Parishes

The Catholic Youth Organization, CYO, fosters the active Catholic spirit for young people participating in athletics, camping, spiritual retreats, and other activities. CYO sports unite children of a parish community in a compassionate, yet competitive atmosphere that promotes sportsmanship and skill development.

CYO is open to all parish and school families of St. Joseph, Mary, Queen of Peace, and Our Lady of Sorrows parishes. This is a great opportunity to meet other school and parish families as well as the Eastside Catholic community.

Kindergarten through Grade 7 teams are being formed

Grades K, 1 and 2 teams are co-ed, Grade 3 and above are single gender teams. We will make every attempt to field teams for grades 4 and above, but frequently, because of low turnout, it is not possible to do so. When necessary, some grade levels could be combined to form a team.

Coaches

We're looking for a pair of energetic coaches for each team. Training and assistance is provided, a great time is guaranteed. All volunteer coaches must fulfill certain training requirements. For full details, go to: www.sjsissaquah.org and follow the 'CYO Sports' link from the home page to 'Coaches Responsibilities.'

Practices

K-3: One practice per week, typically on Friday evening at Issaquah Valley Elementary School. Generally, practices commence the first week of school (8-11 September, 2008).

Grades 4-7: One or two practices per week, time and location to be determined.

Our annual all-comers, pre-season clinic will take place on Friday, 4 September at Issaquah Valley Elementary School. More details to follow.

Games

Typically the season consists of eight games played on Saturday mornings in September and October. The official schedule will be distributed once practices commence.

Coaches will communicate with their team members over the summer regarding practice schedule, equipment needed, and our annual all-comers soccer clinic.

For more information regarding CYO Soccer, visit the Archdiocesan website:
