

St. Joseph Parents' Club

Event Check

2010-2011

Dear Parents,

Break out your checkbooks! It's time for the Parents' Club Event check, your opportunity to pay for many of the school year events all at once instead of one-by-one throughout the year. With limited administrative resources, pre-pay helps out the school, Parents' Club, and hopefully all of you parents.

We understand that it might not be possible for everyone to pre-pay all these events; however, we encourage each family to take this opportunity to do so if you are able.

Events to prepay: class auction project, Lazarus House sandwich making outreach expense, field day expense, emergency supplies, and yearbook.

Events **NOT** included in this check: field trips, school pictures, milk program, pizza Fridays, and any other special projects in your class. A form for first trimester pizza days will be sent out early in the school year.

Please make checks out to St. Joseph Parents' Club. If you have any questions or suggestions, please contact me at domeister@cablespeed.com.

Sincerely,

Donna Glaze
Parents' Club Treasurer
