## Lord I Lift Your Name On High

“Lord, I lift your name on high  
Lord, I love to sing your praises  
I’m so glad you’re in my life  
I’m so glad you came to save us

You came from heaven to earth to show the way  
From the cross to the grave my debt to pay  
From the cross to the grave  
From the grave to the sky  
Lord, I lift your name on high”  
Song by Rick Founds

To Our Families & Students of St. Joseph School  
may our risen Lord bless and keep you always,  
have a wonderful Easter Break!

The staff of St. Joseph School

## Spring 2006 Walk-a-thon News

Our 3rd Annual Walk-a-thon, ‘Heart & Sole’ will be here soon! Please remember this is a two day event, see the enclosed flyer. Volunteers are needed for set-up/clean-up, greeting, directing students and helping in the parking lot with lap tags and refreshments. If you have questions or would like to help out in any way, please contact the following Walk-a-thon chairs.

For Kindergarten/1st grade information contact Michele Sarlitto at [dmsarlitto@yahoo.com](mailto:dmsarlitto@yahoo.com) or Maggie Johnson at [magsjj@yahoo.com](mailto:magsjj@yahoo.com).

For 2nd thru 8th grade information contact Lisa Hopkins at [lisa.hopkins2comcast.net](mailto:lisa.hopkins2comcast.net) or Ann Shikany at [prancer-cat@worldnet.att.net](mailto:prancer-cat@worldnet.att.net)

Our goal this year for the Walk-a-thon is \$28,000 a very ambitious goal! We hope to obtain it with lots of pledges from our students. Per the fundraising agreement each family agrees to contribute \$75.00 per family. It would be awesome if each student could solicit a few more donation in order to reach our goal! Don’t forget company matching funds forms.

## Art & Science Fair News

**June 1, 2006 - 6:00 p.m. In The Parish Hall**

**Look for the “ART & SCIENCE FAIR INFORMATION PACKET”** in this weeks Thursday folder. It has all the information you need to help your child put together a successful science project for the fair to be held Thursday, June 1, 2006 in the Issaquah Parish Hall. To get a jumpstart on your project over Spring break this is how you can.

### **GETTING STARTED WITH A SCIENCE PROJECT**

Choose a topic or a problem to investigate. There are many resources on the internet with great ideas. Go to [discoveryschool.com](http://discoveryschool.com) (the Discovery Channel web site) click on Science Fair Central for links to projects, ideas, book and tip sheets. Go to [Scifair.org](http://Scifair.org) the society for amateur scientists. This site explains all steps needed to do a science project book or head to the Science Center in Seattle.

**VOLUNTEERS ARE NEEDED FOR THE ART & SCIENCE FAIR COMMITTEE:** To help the art teacher, Mrs. Skip prepare to display your children’s artwork. This is EASY, busy work to get volunteer hours. Email Mrs. Skip at [issyskips4248@comcast.net](mailto:issyskips4248@comcast.net) or Lisa Holland at [lisamarieholland@hotmail.com](mailto:lisamarieholland@hotmail.com) to be on the setup or breakdown committee for the fair.
