## 2006-07 Registrations Due!

The deadline to return your 2006-07 elementary registration for returning students and their siblings **and defer February tuition** is tomorrow: **Friday, February 10**. The deadline for returning student/sibling registrations without deferring tuition is February 17.

Please return the registration forms even if your students are not returning for next year.

If you return your returning student registration form after February 17, you will lose your priority as returning students and join the pool of new student applications. Configuration decisions will be made based on the number of registrations we receive, and there may not be room for new students at some grade levels — so get those registrations in!

## PRESCHOOL REGISTRATION FOR 2006/2007

The deadline for registering new and returning **PRESCHOOL** students for next year is tomorrow, Friday, **February 10th**. The Registration Application, the Registration Contract and the required fees are due at that time. You will be notified of acceptance for new students by February 17th. Forms are available on-line or in the Issaquah campus office.
